

Derwent Innovation Dashboard Guide

The Dashboard displays when you first log into Derwent Innovation to help you quickly start your work.

Access Tools and Information

- Derwent Innovation logo brings you to the Dashboard at any time
- The  icon provides immediate access to helpful information in the system notice
- The Blueprints for Success link provides access to guides that demonstrate how to answer common business questions

Quickly Find Patents

- Smart Search displays prominently so that you can quickly begin your patent research
- Powered by DWPI, patent-pending Smart Search broadens searches beyond the original terms so that all users, regardless of experience, can search with confidence
- Publication Number search also available on Dashboard to quickly find specific patents

Get Where You Need To Go

- Tiles on Dashboard provide single point of entry to help you get started quickly
- Bold colors and large text labels make it easy to get around, even for new or infrequent users
